Summary

A highly motivated front-end developer with a passion for web design and development, I am constantly seeking opportunities to expand my knowledge through well-guided learning, online courses, and hands on projects. With strong problem-solving skills, I excel at creating responsive and high-quality websites that provide excellent user experiences.

Experience

Front-End Developer **June, 2024 – Current**
Ocelot group **Nigeria**

- Handled special projects designated by senior developer.
- Integrate REST APIs, optimized for responsiveness, and built scalable reusable components.
- Developed Air Peace Airlines admin dashboard (currently in testing) using React, TypeScript, Tailwind CSS.
- Analysed user feedback and web analytics to make data-driven decisions for website improvements.
- Managed version control using Git, facilitating team collaboration and maintaining project history.
- Collaborated with graphic designers and backend developers to translate visual concepts and data structures into functional, user-friendly website interfaces.

Tools

- ReactJs
- TypeScript
- Tailwind CSS
- HTML 5
- Valina CSS
- JavaScript
- Next Js
- Github

Skills

- Responsive Design
- Multi-tasking
- Creativity
- Time Management
- Team Collaboration
- Detail Oriented
- Communication skills
- Problem-Solving

Education

***B.Sc.* Microbiology** (Second Class Upper Honours) **2017-2021**
University of Benin Benin City, Edo, Nigeria.

Side Projects

OWAMBE **Feb, 2024 – March, 2024**

- Developed **Owambe**, an event booking platform (admin dashboard + website).
- Tech stack: React, TypeScript, Tailwind CSS.
- Used React Context for state management, integrated REST APIs, and built scalable, responsive components.
- **Project is currently in testing phase**

Personal Projects

PERSONAL PORTFOLIO WEBSITE

Tech Stack: Next.js, TypeScript, Tailwind CSS

Designed and developed a responsive portfolio website to showcase my work, skills, and experience. Integrated smooth animations, responsive layouts, and dynamic content to provide an engaging user experience.
